Reliability

Xcelerate22 Agenda

PRE-CONFERENCE AGENDA					
Tuesday, October 11th					
7:00am - 8:00am	Breakfast & Registration				
8:00am - 9:00am	Each break-out sessions follows the same track:				
	Introduction to eMaint X4	Report Creation 1 (Beginner)	Introduction to X5	Introductions, safety, asset criticality and risk	Shaft alignment fundamentals
9:00am - 10:00am	Each break-out sessions follows the same track:				
	Introduction to Work Order Management	Report Creation (Intermediate)	X5 Terminology, System Structure & Data Structure	Thermography principles	Standard setup procedures & Importance of correcting soft foot
10:30am - 11:30am	Each break-out sessions follows the same track:				
	Work Request Process	Calculated Fields in Reports (Advanced)	Introduction to Work Order Management	Picking the right camera	Basics of horizontal alignment
11:30am - 12:30pm	Lunch				
12:30pm - 1:00pm	Each break-out sessions follows the same track:				
	Introduction to PM Schedules	Graphs, Instruments, & Dashboards (Expert)	Work Request Process	Thermography applications: Part 1	Measurement Modes
1:00pm - 1:30pm	Each break-out sessions follows the same track:				
	Introduction to Inventory	Advanced Graphs (Pro)	Introduction to PM Schedules	Thermography applications: Part 2	Hands on Simulations: Part 1
1:30pm - 2:00pm	Each break-out sessions follows the same track:				
	Intro to Reporting	Reporting Q&A	Intro to Reporting	Training for the team and keys to a robust program: Part 1	Hands on simulations: Part 2
2:00pm - 2:30pm	Each break-out sessions follows the same track:				
	Xcelerate Game	Xcelerate Game	Xcelerate Game	Training for the team and keys to a robust program: Part 2	Hands on simulations: Part 3
3:00pm - 3:30pm	Choose to take the eMaint Certification exam or stay on your track below:				
	X4 and X5 Certification Exam (optional)			Connected Thermography in eMaint CMMS: Part 1	Reporting and Asset Management
3:30pm - 4:00pm	Choose to take the eMaint Certification exam or stay on your track below:				
	X4 and X5 Certification Exam (optional)			Connected Thermography in eMaint CMMS: Part 2	Certification Exam (Shaft Alignment Fundamentals)
4:00pm - 5:00pm	X4 and X5 Certification Exam Continued (Optional)				
5:00pm - 7:00pm	Registration / Welcome Cocktails				

MAIN CONFERENCE AGENDA- DAY 1
Wednesday, October 12th

7:00am - 8:00am	Breakfast & Registration					
8:00am - 8:45am	Welcome & Keynote Speaker Presentation by Darryl Strawberry					
8:45am - 9:30am	General Session 1					
9:45am - 10:30am	General Session 2					
10:45am - 11:30am	Choose between 5 break-out sessions for:					Open:
	What's new in X5?	Differences between X4 and X5 (Session 1)	Best Practices Session 1	Industry Experts Session 1	How to Start your reliability journey with vibration (Basics)	Exhibit Area Connected Reliability Lab Live Tech Support
11:45am - 12:30pm	Choose between 5 break-out sessions for:					Open:
	Make Metrics that Matter with X5	Did you know about this X4 Feature?	Best Practices Session 2	Industry Experts Session 2	How to Start your reliability journey with alignment (Basics)	Exhibit Area Connected Reliability Lab Live Tech Support
12:30pm - 2:15pm	Lunch					
2:15pm - 3:00pm	Choose between 5 break-out sessions for:					Open:
	Designing your X5 Dashboard	Is it too late to fix your data in X4?	Best Practices Session 3	Industry Experts Session 3	Online Condition Monitoring Customer Case Studies	Exhibit Area Connected Reliability Lab Live Tech Support
3:15pm - 4:00pm	Choose between 5 break-out sessions for:					Open:
	Going Mobile and Paperless with X5 (Full Site & Fluke Mobile)	Condition Monitoring & Thermography with Fluke Connect and eMaint	Best Practices Session 4	Industry Experts Session 4	Service Overview	Exhibit Area Connected Reliability Lab Live Tech Support
4:00pm - 6:00pm	Exhibition Area		CSM Meeting & Networking		Drinks & Canapes	
6:00pm - 10:00pm	Poolside Buffet with Music & Entertainment					

MAIN CONFERENCE AGENDA- DAY 2						
Thursday, October 13th						
7:00am - 8:00am	Breakfast & Registration					
8:00am - 9:00am	Welcome & Keynote Speaker Presentation					
9:00am - 10:00am	General Session 1					
10:15am - 11:00am	Choose between 5 break-out sessions for:					Open:
	Manage your Work and Resources with the X5 Scheduler	Simplifying usage with X4 Mobile Capabilities (Fluke Mobile & Tech Select)	Best Practice Session 1	Industry Experts Session 1	How to Start your reliability journey with vibration (Intermediate)	Exhibit Area Connected Reliability Lab Live Tech Support
11:15am - 12:00pm	Choose between 5 break-out sessions for:					Open:
	Designing Forms in X5	Differences between X4 and X5 (Session 2)	Best Practices Session 2	Industry Experts Session 2	How to Start your reliability journey with alignment (Intermediate)	Exhibit Area Connected Reliability Lab Live Tech Support
12:00pm - 2:00pm	Lunch					
2:00pm - 2:45pm	Choose between 5 break-out sessions for:					Open:
	Coming Soon to X5	Make Metrics that Matter with X4	Best Practices Session 3	Industry Experts Session 3	Alignment Case Studies	Exhibit Area Connected Reliability Lab Live Tech Support
3:00pm - 3:45pm	Closing Keynote Speaker Presentation					
3:45pm - 4:15pm	President's Closing Notes
